EXTRACTS

FROM

RULES AND REGULATIONS

FOR THE GOVERNMENT OF THE

GRAND ARMY OF THE REPUBLIC.

1887.

CHAPTER I.

ARTICLE IV.

Eligibility to Membership.

Soldiers and sailors of the United States Army, Navy or Marine Corps, who served between April 12th, 1861, and April 9th, 1865, in the war for the suppression of the Rebellion, and those having been honorably discharged therefrom after such service, and of such State regiments as were called into active service and subject to the orders of U. S. General Officers, between the dates mentioned, shall be eligible to membership in the Grand Army of the Republic. No person shall be eligible for membership who has at any time borne arms against the United States.

CHAPTER II.

ARTICLE I.

Admission to Membership.

SEC. 1. Every application for admission to membership shall be in writing, and shall

give in detail, upon the blanks furnished by the National Headquarters, the applicant's age, birth-place, residence, occupation date and rank when entering the service, and his rank at the time of his discharge (or if still in the service, his present rank), the date and cause of his discharge, the company and regiment or ship to which he belongs or belonged, the length of time he served ; if wounded, when, in what engagement, in what manner and degree, and the fact of any previous application, and to what Post it was made.

SEC. 5. If an applicant be rejected, his admission fee shall be returned, and he shall not be eligible to admission to the Grand Army of the Republic until six months after such rejection. He shall not be eligible to membership in any other Post without the consent, by a two-thirds vote, of the Post rejecting him. A second and all subsequent applications shall be in the same form and subject to the same conditions as the first.

SEC. 7. Each applicant, upon his election, shall be at once notified thereof in writing, and on presenting himself for membership shall be properly mustered.

But unless he present himself for muster within three months from the date of such notice, his election shall be void, and all moneys which may have been required by the Post to accompany the application shall be forfeited to the Post treasury.

The Commander-in-Chief, or a Department Commander, may, however, grant a dispensation in any particular case to a Post to muster a candidate, even though he has *not* presented himself for muster within three months after notice of election.

ARTICLE III.

Admission of Comrades from other Posts.

SEC. 1. A comrade having a valid transfer card may be readmitted to the Post which granted the same, by a two-thirds vote of the members present, and voting at a regular meeting, or he may be admitted to another Post after his name has been proposed, referred and reported upon as in case of an applicant for membership, and upon receiving a two-thirds vote of the members present and voting at a regular meeting, or he may be admitted a charter member of a new Post

SEC. 2. Each Post may establish such admission fees, to be paid by comrades joining by transfer, as they may think proper, not exceeding the amount required from recruits.

ARTICLE IV.

SEC. 3. Any comrade in good standing, on application to the Post Commander at a regular meeting, shall receive at some subsequent meeting an honorable discharge, signed by the Post Commander and attested by the Adjutant: *Provided*, That at the time of such application there are no pecuniary charges against him on account of the Post. A comrade thus discharged can be readmitted by filing a new application, to be regularly referred and reported on, and upon receiving a two-thirds vote of the members present, and voting at a regular meeting, he shall be admitted without re-muster on taking *anew* the obligation.

ARTICLE VII.

Election of Officers.

SEC. 1. The Post officers (the Adjutant, Sergeant-Major and Quartermaster-Sergeant

excepted) shall be elected at the first stated meeting in December by ballot, unless a ballot be dispensed with by unanimous consent. They shall be installed into their respective offices at the first stated meeting in January following. At the installation of officers the Post Commander shall appoint the Adjutant, and upon the recommendation of the Adjutant and Quartermaster respectively, he shall also appoint the Sergeant-Major and the Quartermaster-Sergeant. They shall enter upon their duties at once, and all officers, whether elected or appointed, shall hold office until their successors are installed. And such installation may be conducted publicly at a special meeting to be held for that purpose, when no part of the opening or closing services or signs of recognition shall be used.

SEC. 2. In case of a ballot for officers, a majority of all the votes cast shall be necessary to a choice. If there is no election on the first two ballots, the name of the comrade receiving the lowest number of votes shall be dropped, and so on in successive ballots until an election is made.

SEC. 3. Posts may fill any vacancy in their

offices at any stated meeting, notice of such contemplated action having been given at a previous meeting. A Post may, by a two-thirds vote, declare vacant the position of any officer who has absented himself for four consecutive stated meetings, provided that notice has been duly given the delinquent officer, and notice of the intended action has been given to the members of the Post.

ARTICLE IX.

Representatives.

Each Post shall, at the first stated meeting in December, annually elect, from its own members, representatives, and an equal number of alternates, to the Department Encampment, in the manner described in Chap. III, Art. 2.

CHAPTER V.

ARTICLE IV.

SEC. 3. Any member of a Post who is six months in arrears in the payment of his dues shall be notified thereof in writing by the Post

Quartermaster, and if the same are not paid within two months thereafter he may be suspended from all privileges of membership by vote of the Post, and be then so reported in the quarterly reports to department headquarters until such dues are paid. While so suspended the Post shall not be subject to the per capita tax on such member, and he shall not be counted in the representation of the Post in the Encampment of the Department, nor of the Department in the National Encampment. *Provided, however,* That when a comrade is unable, by reason of sickness or misfortune, to pay his dues, they must be remitted by a two-thirds vote of the members present and voting at a stated meeting of the Post.

SEC. 4. If a member of a Post shall be one year in arrears for dues, he shall be notified thereof in writing by the Post Quartermaster, and on failure for two months thereafter to pay such dues, he may, by vote of the Post, be dropped from the rolls, unless relieved from such payment, and can be reinstated only by the Post which dropped him by a two-thirds vote, by ballot, of all the members present and voting at a stated meeting, upon

payment of a sum to be prescribed by By-Laws of the Post, said sum not to be less than the amount charged for muster-in fee. If elected he shall be re-obligated : *Provided*, That he may be re-obligated in any Post within whose jurisdiction he may reside, upon the written request of the Post reinstating him. Application for reinstatement shall be made by filing a new application, to be regularly referred and reported on. If the Post from which a member in arrears has been dropped has been disbanded, he may make application to another Post. A comrade dropped as aforesaid, whose application for reinstatement has been rejected, upon payment to the Quartermaster of the Post which dropped him of the amount of his dues at the date of being dropped, shall receive from the Quartermaster a receipt therefor, stated as dues of Comrade —, dropped and refused reinstatement, and such Comrade may make application, as provided in Art. II., Chap. 2, of these regulations, accompanied by the receipt aforesaid, to another Post, and may be admitted to membership upon payment of the muster fee and being mustered in as a recruit.

If the applicant be rejected he may apply

again after a lapse of six months. His name is not to be published.—Res. Nat. Encampment, 1880.

SEC. 5. The provisions of Sections 3 and 4 of this article shall not apply to any Comrade in the service of the United States, and on duty at a distance from the Post of which he is a member.
